

one step further

Do you spend less time on core business activity than you would like?

Management issues including employment legislation, payroll, recruitment, training and finance, demand up to 50% of UK managers' time.

SBS RED is the business services division of Stratford-upon-Avon College. We have extensive commercial skills and knowledge and our links with the public and private sectors give us access to an impressive array of resources.

By providing experienced, skilled and cost-effective professional support, we take care of the time-consuming processes and associated red tape essential to keeping your business afloat and out of trouble.

So what's the difference between us and other sources of advice, guidance and business support?

We get on and do it.
